

Standard Fabrics:

Bourbon

Smoke

This microsuede fabric is a stylish alternative to suede with the soft feel of natural leather but none of its drawbacks. Long-lasting and stain-resistant, it is perfect for furniture that will see a high volume of use or spills.

* An upcharge will apply for all crossover fabrics.

EZ Sleeper PR761

The EZ Sleeper is a luxury power lift recliner featuring a modern look with a tailored back and stylish track arm design, while the plush chaise pad and pocketed coil spring seat provide hours of unmatched comfort. Positioning options are endless with our 5-zone positioning system, which includes our patented Twilight Technology, patented MaxiComfort® Positioning, adjustable headrest and lumbar support. Healthy benefits include being able to elevate the feet above the heart while experiencing a feeling of weightlessness.

Standard Features:

- Patented Twilight Tilt Technology
- Patented MaxiComfort® Positioning
- Adjustable Headrest
- Adjustable Lumbar
- Programmable AutoDrive[™] Hand Control
- USB Charging Port
- Extra Pocket
